THANKS.

On July 28, 2024, The Takiyans brought joy and sustenance to the lives of women in need at the Nari Adhikar Raksha Samanway Samity's Bijoygarh Unit through the 'Anandabhoj' programme. This shelter provides refuge to women facing distress from various walks of life, but the claustrophobic atmosphere of the place often leaves much to be desired.

The Takiyans' initiative aimed to change that, if only for a day. We served a healthy and hearty meal, but that was just the beginning. The real magic happened through the innovative 'Ananda-game' concept, which has become an integral part of the Anandabhoj programme.

The game brought an infectious energy to the space, and the women couldn't help but let their hair

down and enjoyed every. Laughter and smiles filled the room, replacing the usual gloom. The Takiyans gave these women a much-needed break from their struggles, offering a sense of freedom and joy.

In a place where hope can be scarce, The Takiyans Anandabhoj programme brought a ray of sunshine. The day-long endeavour reminded the women that they are seen, heard, and cared for. As the day came to a close, the women returned to their daily lives, but with full bellies and renewed spirits.

A Rainy Day Rockstar Session!

On July 26, 2024, The Takiyans decided to make a rainy day super fun for 63 awesome students from Sibpur Srimat Swami Prajnananda Saraswati Vidyala in Howrah. We hosted a quiz workshop that was all about making the bright boys' Grey cells glitter even better!

We couldn't have done it without the fabulous support from the school's Headmaster, Mr. Rajib Bandopadhyay.

Our interactive sessions were all about keeping it fun, engaging, and full of brain-tickling goodness! We wanted to empower these young minds with skills that'll help them conquer quizzes, life, and everything in between! And we had an absolute blast, as the students left with big smiles, new knowledge, and a spark in their eyes! Let's keep shining, learning, and having fun!
